[redacted] That is producing valuable information, but no smoking gun yet. We talk with Newark several times a day and fax them the log sheets every day. We have 6 JTTF members and our UCA and our UCE in New Jersey right now. The UCA will be departing New Jersey tomorrow and everyone else will depart on Tues, Dec 3, after the Dec 1 festivities. Our extension request for our Group 1 is at FBIHQ, awaiting the next CUORC.
